ClearPath Dx — Platform Walkthrough Guide

Version: March 2026 **Platform URL:** https://clear-path-dx-platform.vercel.app **Marketing Site:** https://clear-path-dx-marketing.vercel.app

---

Quick Start

Login URL: https://clear-path-dx-platform.vercel.app/auth/login

All demo accounts use the password: `p1zz4andfl!ght$`

Three login methods are available:

1. **Password** — Email + password (default tab)
2. **Magic Link** — Sends a sign-in link to your email
3. **SMS** — Sends a verification code to your phone

Demo Accounts

Role	Email	Name
Super Admin	`jon@jonspencer.us`	Jon Spencer
Super Admin	`justin@whisperlabs.com`	Justin Blanchard
Finance Admin	`finance@clearpathdx.com`	Marcus Rivera
Admin	`admin@clearpathdx.com`	Jessica Thompson
Intake Coordinator	`intake@clearpathdx.com`	David Kim
Scheduler	`scheduler@clearpathdx.com`	Amanda Foster
Account Manager	`accounts@clearpathdx.com`	Carlos Mendez
Community Dev Manager	`community@clearpathdx.com`	Rachel Green
Psychologist	`dr.psych@clearpathdx.com`	Dr. Emily Watson
Psychometrist	`psychometrist@clearpathdx.com`	James Park
ABA Provider Admin	`aba.admin@brightfutures.com`	Lisa Chang
ABA Provider Staff	`aba.staff@brightfutures.com`	Michael Torres
Pediatrician Admin	`dr.peds@valleypeds.com`	Dr. Robert Patel
Parent / Guardian	`parent@example.com`	Maria Gonzalez

Referral Lifecycle

Every referral flows through these stages:

```
RECEIVED → INTAKE_IN_PROGRESS → PARENT_CONTACTED → READY_TO_SCHEDULE
→ INTERVIEW_SCHEDULED → INTERVIEW_COMPLETED → REPORT_IN_REVIEW
→ REPORT_APPROVED → BILLING_SUBMITTED → DIAGNOSIS_COMPLETE
→ REPORT_DELIVERED → CLOSED
```

\newpage

1. Super Admin

Login: `jon@jonspencer.us` / `p1zz4andfl!ght$`

The Super Admin has full access to every feature in the platform. This is the "god mode" account for system oversight.

Dashboard

After login, you'll see the Super Admin dashboard with key metrics:

- **Total Referrals** (with pending count)
- **Total Clients**
- **Active Cases** (with reports in review)
- **Provider count**
- **Reports in Review**
- **Pending Billing**
- **Organizations**
- **Recent Activity** feed

Walkthrough Steps

1. **Review the Dashboard**
    - Note the metric cards at the top
    - Scroll down to see the recent activity feed (audit log)
2. **Manage Referrals** → Sidebar: *Referrals*
    - View all referrals across all organizations
    - Click any referral to see full details (child info, status history, documents)
    - Try changing a referral's status to see the workflow progression
3. **View Clients** → Sidebar: *Clients*
    - Browse all clients in the system
    - Click a client to see their profile, guardians, linked referral, and case
4. **Manage Cases** → Sidebar: *Cases*
    - View all diagnostic cases
    - Cases show assigned providers (psychologist, psychometrist, coordinator)
    - Click a case to see interviews, reports, and care coordination flags
5. **Scheduling** → Sidebar: *Scheduling*
    - View all interview events
    - See provider availability

    - Create new interviews for existing cases

6. **Reports** → Sidebar: *Reports*
    - View all diagnostic reports
    - Filter by status: Draft, In Review, Approved, Delivered
    - Click a report to view content, diagnoses, and recommendations
7. **Providers** → Sidebar: *Providers*
    - View all provider profiles (psychologists and psychometrists)
    - See license info, specialties, capacity, accepting status
    - Edit provider details
8. **Organizations** → Sidebar: *Organizations*
    - View all partner organizations
    - Types: ABA Provider, Pediatrician, School, Billing Provider
    - Click to see org details, contacts, and linked referrals
9. **Coordinator Queue** → Sidebar: *My Queue*
    - See referrals awaiting parent contact
    - Log phone calls with notes
    - Advance referrals through pipeline stages
10. **Billing & Payouts** → Sidebar: *Billing | Payouts*
    - Review billing records with CPT codes
    - View provider payout ledger
11. **Audit Log** → Sidebar: *Audit Log*
    - See all system activity (creates, updates, logins, exports)
    - Filter by action type, user, or resource
12. **Settings** → Sidebar: *Settings*
    - Platform configuration options

\newpage

2. Admin (Operations Manager)

Login: `admin@clearpathdx.com` / `p1zz4andfl!ght$`

The Admin role manages day-to-day operations. Similar to Super Admin but without billing/payout management.

Walkthrough Steps

1. **Dashboard** — Operational overview of referrals, cases, and providers
2. **Referrals** — Full CRUD access; create new referrals, update status, export
3. **Clients** — Manage client records, view guardians
4. **Cases** — Assign providers to cases, manage coordination
5. **Scheduling** — Oversee all interviews and provider availability
6. **Reports** — Review and approve diagnostic reports

7. **Providers** — Manage provider profiles and capacity
8. **Organizations** — Manage partner organizations
9. **My Queue** — Same coordinator queue as Super Admin
10. **Audit Log** — Review system activity

---

3. Finance Admin

Login: `finance@clearpathdx.com` / `p1zz4andfl!ght$`

Finance Admin focuses exclusively on billing and payouts.

Walkthrough Steps

1. **Dashboard** — Financial metrics overview
2. **Billing** → Sidebar: *Billing*
   - View all billing records
   - See CPT codes (96130, 96131, 96136), billed amounts, claim numbers
   - Update billing status: PENDING → SUBMITTED → ACCEPTED/REJECTED → PAID
   - Track allowed amounts vs. billed amounts
3. **Payouts** → Sidebar: *Payouts*
   - View provider payout ledger
   - Approve pending payouts
   - Track payment references and payout dates
   - Status flow: PENDING → APPROVED → PAID
4. **Audit Log** — Review financial activity trail

\newpage

4. Intake Coordinator

Login: `intake@clearpathdx.com` / `p1zz4andfl!ght$`

The Intake Coordinator is the first person to work a new referral. Their job is to contact parents, gather information, and move referrals forward.

Dashboard

Shows intake-specific metrics:

- **New Referrals** (RECEIVED status)
- **Intake In Progress**
- **Parent Contacted**
- **Ready to Schedule**
- **Recent Referrals** card with status badges

Walkthrough Steps

1. **Check Dashboard** — See how many referrals need attention at each stage

2. **Open My Queue** → Sidebar: *My Queue*

   - This is the primary workspace for intake coordinators

- Each card shows:
  - Child's name and referral number
  - Referring organization and time since received
  - Guardian name, phone, and email
  - Outreach history (attempts, last contact, response status)
  - Priority badges (Urgent, Expedited)

3. **Contact a Parent**
   - Find a referral in "RECEIVED" status
   - Click **Log Call** to record a phone call attempt
   - Add notes (e.g., "Left voicemail" or "Parent confirmed, prefers mornings")
   - Click **Save**
4. **Advance a Referral**
   - After successful contact, click **Next Stage**
   - Status progression: RECEIVED → INTAKE_IN_PROGRESS → PARENT_CONTACTED → READY_TO_SCHEDULE
5. **Filter the Queue**
   - Use the status tabs: All, Received, In Progress, Contacted
   - Use the search bar to find specific children or referral numbers
6. **View Full Referral Details** → Sidebar: *Referrals*
   - Click any referral for complete details
   - See status history, attached documents, outreach logs
7. **Manage Clients** → Sidebar: *Clients*
   - View client profiles and guardian contact info

\newpage

5. Scheduler

Login: `scheduler@clearpathdx.com` / `p1zz4andfl!ght$`

The Scheduler books interviews between providers and families once referrals are ready to schedule.

Walkthrough Steps

1. **Dashboard** — See upcoming interviews, scheduled cases, provider availability
2. **Check Referrals** → Sidebar: *Referrals*
   - Look for referrals in "READY_TO_SCHEDULE" status
   - These are ready for interview booking
3. **View Provider Availability** → Sidebar: *Scheduling*
   - See which providers have open time slots
   - Dr. Emily Watson (Psychologist): Mon–Thu mornings

    - James Park (Psychometrist): Mon–Fri full days

4. **Schedule an Interview** → Sidebar: *Scheduling* → *New Interview*
    - Select a case
    - Choose interview type:
        - Parent Interview
        - Child Observation
        - School Observation
        - Testing Session
        - Feedback Session
    - Pick a provider and time slot
    - Add location and notes
5. **View Providers** → Sidebar: *Providers*
    - Check provider capacity (current vs. max weekly cases)
    - See if providers are accepting new cases
    - Review specialties and service areas

---

6. Account Manager

Login: `accounts@clearpathdx.com` / `p1zz4andfl!ght$`

Account Managers maintain relationships with partner organizations.

Walkthrough Steps

1. **Dashboard** — Organization metrics, referral tracking
2. **Organizations** → Sidebar: *Organizations*
    - View partner organizations: Bright Futures ABA, Valley Pediatrics, Lincoln School, MedBill Pro
    - Click an organization to see contact info, referral history
3. **Referrals** — Track referral flow from partner organizations
4. **Clients** — View client records tied to partner orgs

\newpage

7. Community Development Manager

Login: `community@clearpathdx.com` / `p1zz4andfl!ght$`

Focuses on market development and organization partnerships.

Walkthrough Steps

1. **Dashboard** — Organization health and referral pipeline
2. **Organizations** — View and manage partner organizations
3. **Referrals** — Monitor referral volume by source

---

8. Psychologist (Provider)

Login: `dr.psych@clearpathdx.com` / `p1zz4andfl!ght$`

Psychologists are the primary diagnosticians. They conduct evaluations, author reports, and deliver diagnoses.

Dashboard

Shows provider-specific metrics:

- **Assigned Cases** (count)
- **Upcoming Interviews** (future, non-cancelled)
- **Draft Reports** (count)
- **Pending Payouts** (count)
- **Capacity:** Current Weekly Cases / Max Weekly Cases
- **Accepting Cases** status badge

Walkthrough Steps

1. **Check Dashboard** — See your assigned caseload and upcoming schedule

2. **View Your Cases** → Sidebar: *Cases*

    - See only cases assigned to you
    - Click a case to see:
        - Child and family info
        - Interview schedule
        - Reports
        - Care coordination flags

3. **Check Your Schedule** → Sidebar: *Scheduling*

    - View upcoming interviews
    - See interview type, time, location, and notes

4. **Write a Report** → Sidebar: *Reports*

    - View your reports (Draft, In Review, Approved)
    - Create a new diagnostic report:
        - Select a case
        - Write findings, diagnoses, and recommendations
        - Save as Draft
    - Submit for review: change status from DRAFT → IN_REVIEW
    - After peer review: IN_REVIEW → APPROVED

5. **View Clients** → Sidebar: *Clients*

    - Read-only access to client profiles for your assigned cases

6. **Check Payouts** → Sidebar: *Payouts*

    - View your payout history
    - See pending, approved, and paid amounts

\newpage

9. Psychometrist (Provider)

Login: `psychometrist@clearpathdx.com` / `p1zz4andfl!ght$`

Psychometrists administer standardized tests and assist with evaluations. Similar to Psychologists but with read-only report access.

Walkthrough Steps

1. **Dashboard** — Same provider dashboard (assigned cases, interviews, payouts, capacity)
2. **View Your Cases** → Sidebar: *Cases*
   - See cases you're assigned to as psychometrist
   - View interview schedule and care coordination flags
3. **Check Your Schedule** → Sidebar: *Scheduling*
   - View your upcoming testing sessions and observations
4. **View Reports** → Sidebar: *Reports*
   - Read-only access to reports on your assigned cases
   - You can see report content but cannot create or edit reports
5. **View Clients** → Sidebar: *Clients*
   - Read-only access to your assigned clients
6. **Check Payouts** → Sidebar: *Payouts*
   - View your payout history and pending amounts

---

10. ABA Provider Admin

Login: `aba.admin@brightfutures.com` / `p1zz4andfl!ght$`

ABA Provider Admins see only data related to their organization (Bright Futures ABA). They track referrals they've submitted and monitor diagnostic progress.

Dashboard

Organization-scoped metrics:

- **Total Referrals** (for Bright Futures ABA only)
- **Active Referrals** (not closed/complete)
- **Completed Cases**
- **Reports Delivered**

Walkthrough Steps

1. **Dashboard** — See your organization's referral and case metrics
2. **View Your Referrals** → Sidebar: *Referrals*
   - See only referrals from Bright Futures ABA

    - Track status progression for each child
    - Note: You can view but not create referrals
3. **View Clients** → Sidebar: *Clients*
    - See clients referred by your organization
4. **Organization Profile** → Sidebar: *Organizations*
    - View and update your organization's information
5. **View Users** → Sidebar: *Users*
    - See users in your organization

\newpage

11. ABA Provider Staff

Login: `aba.staff@brightfutures.com` / `p1zz4andfl!ght$`

ABA Provider Staff have a simplified view compared to their admin. They can track referrals and view clients but cannot manage org settings.

Walkthrough Steps

1. **Dashboard** — Organization-scoped referral and case status
2. **Referrals** — View referrals from Bright Futures ABA
3. **Clients** — View clients referred by your organization

---

12. Pediatrician Admin

Login: `dr.peds@valleypeds.com` / `p1zz4andfl!ght$`

Pediatrician Admins represent referring pediatrician offices. They track diagnostic progress for children they've referred.

Walkthrough Steps

1. **Dashboard** — See referral metrics for Valley Pediatrics
2. **View Referrals** → Sidebar: *Referrals*
    - See referrals originating from Valley Pediatrics
    - Track diagnostic status for each referred child
3. **View Clients** → Sidebar: *Clients*
    - See clients your practice has referred
4. **Organization Profile** → Sidebar: *Organizations*
    - View your practice information

\newpage

13. Parent / Guardian

Login: `parent@example.com` / `p1zz4andfl!ght$`

Parents have the most focused view — they see only their child's information. This is Maria Gonzalez, parent of Isabella Garcia.

Dashboard

Child-focused view:

- **Title:** "Isabella's Progress" (child's first name)
- **Current Case Status** — referral status badge
- **Upcoming Appointments** — count
- **Report Status** — "Ready" or "In Progress"
- **Next 3 upcoming interviews** with formatted dates and times

Walkthrough Steps

1. **View Dashboard** — See Isabella's current status
    - Check the referral status badge (where in the process you are)
    - See if any upcoming appointments are scheduled
    - Check if the diagnostic report is ready
2. **That's it!**
    - The parent portal is intentionally simple
    - Parents can view their child's progress but cannot modify anything
    - All scheduling, reporting, and communication is handled by ClearPath staff

---

14. Provider Registration (New User)

URL: https://clear-path-dx-platform.vercel.app/auth/register/provider *(Also linked from the marketing site and the login page)*

This is the self-service onboarding flow for new psychometrists and psychologists.

Walkthrough Steps

1. **Navigate to the registration page**
    - From the login page, click "Join the network" at the bottom
    - Or go directly to `/auth/register/provider`
2. **Step 1: Create Your Account**
    - Enter your full name
    - Enter your email address
    - Enter your phone number (optional)
    - Choose a password (minimum 8 characters)
    - Confirm your password
    - Click **Next**

3. **Step 2: Professional Details**
    - Select provider type: **Psychologist** or **Psychometrist**
    - Enter your license number (optional)
    - Enter your license state (optional, e.g., "TX")
    - Enter your NPI number (optional)
    - Enter your specialties (optional, e.g., "Autism, ADHD, Learning Disabilities")
    - Enter years of experience (optional)
    - Click **Create Account**
4. **Success!**
    - You'll see a "Registration Complete" confirmation
    - Click **Go to Sign In** to log in with your new credentials

---

\newpage

End-to-End Demo Scenarios

Scenario A: Full Referral-to-Report Flow

This walks through a referral from intake to final report delivery, touching multiple roles.

Step	Role	Action
1	Intake Coordinator	Open My Queue, find a new referral
2	Intake Coordinator	Click "Log Call", add notes about parent contact
3	Intake Coordinator	Click "Next Stage" to advance to PARENT_CONTACTED
4	Intake Coordinator	Click "Next Stage" again to advance to READY_TO_SCHEDULE
5	Scheduler	Go to Scheduling, create a new interview for the case
6	Psychologist	Check dashboard, see the new upcoming interview
7	Psychologist	After evaluation, go to Reports → create a new report
8	Psychologist	Write findings, save as Draft, then submit for review
9	Admin	Go to Reports, review and approve the report
10	Finance Admin	Go to Billing, submit the insurance claim
11	Finance Admin	Go to Payouts, approve the provider payout
12	Parent	Log in, see updated status on dashboard

Scenario B: Provider Onboarding

Step	Action
1	Visit the marketing site at `/for-providers`

2	Click "Apply Now" — redirected to platform registration
3	Complete the 2-step registration form
4	Log in with new credentials
5	See provider dashboard (empty — no cases assigned yet)
6	Admin assigns a case to the new provider
7	Provider sees the case appear on their dashboard

Scenario C: ABA Provider Tracking

Step	Role	Action
1	ABA Provider Admin	Log in as `aba.admin@brightfutures.com`
2	ABA Provider Admin	View dashboard — see org-scoped metrics
3	ABA Provider Admin	Go to Referrals — see only Bright Futures referrals
4	ABA Provider Admin	Click a referral to track diagnostic progress

---

Data Scoping Rules

Scope	Roles	What They See
Full Platform	Super Admin, Admin, Intake Coordinator, Scheduler, Account Manager, Community Dev, Finance Admin	All records (filtered by permission)
Organization	ABA Provider Admin, ABA Provider Staff, Pediatrician Admin	Only records from their organization
Self / Assigned	Psychologist, Psychometrist, Parent/Guardian	Only records assigned or linked to them

---

This guide was generated for demo and training purposes. All accounts use shared test credentials and should not be used in production.
